

REMARKS

Claims 1-47, 49-53, 56-73, 75 and 76 are allowed.

The subject Rule 312 Amendment is being filed to effect an editorial change to the Examiner's Amendment that was attached to the Notice of Allowance mailed September 6, 2005.

In that regard, Claim 50 has been amended to provide better antecedent basis for the audio source. This change corresponds to the proposed amendment provided in the facsimile sent to the Examiner on July 26, 2005.

In that regard, the Applicant wishes to thank the Examiner for the courtesy extended toward their representative during the recent telephone conversation, in which changes to Claims 49, 50, 75 and 76 were proposed. These proposed changes were made in the Examiner's Amendment attached to the Notice of Allowance mailed September 6, 2005.

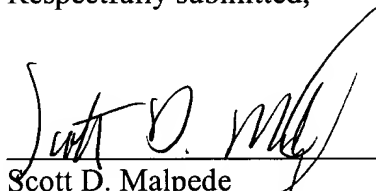

Applicants have also taken this opportunity to correct a typographical error in Claim 46.

As the claim amendments do not alter the scope of claim protection, consideration and entry of the Rule 312 Amendment is respectfully requested.
